

LIGHT REFLECTANCE VALUE

The 2TEC2 Light Reflectance Values allow you to make the right choice for your space.

2TEC2 is available in tiles and rolls, and comes with an Acoustic Comfort Backing reducing walking noise up to 70%.

Each collection is crafted with durable and eco-conscious materials ensuring a long life span and heavy commercial use.

2TEC2. High tech, high design.

HIGH TECH WOVEN FLOORING

2TEC2 FLOORING MAKES YOUR WORKSPACE A MORE PLEASANT ENVIRONMENT

Interior designers must follow building codes and restriction guidelines.

One of these guidelines requires all new and refurbished public buildings and workspaces to comply with regulations ensuring safe entry, exit, and safe passage throughout the building. The regulation demands a **good visual contrast** between various elements of the building. Therefore the contrast between floors and walls must reach a certain level.

That contrast is measured by the **Light Reflectance Value (LRV)**. This light reflection value is the quantity of light being reflected by the floor.

LRV is measured on a **scale of 0 to 100**, 0 being perfect absorbing black and 100 being perfect reflecting white. Additionally, the lightness value, L^* , will give an idea of how light or dark the colour of a surface is.

- The darkest black has $L^* = 0$
- The brightest white has $L^* = 100$

Below is a list of the **LRV values of all 2tec2 references**, as well as a chart from lowest to highest (read darkest to brightest). These will allow you to make the best choice for your next project.

The information given in this report is the most accurate to our current knowledge.

The tests are carried out by Le Tissage d'Arcade and this according to internal standards.

Le Tissage d'Arcade holds the right to adjust the results when changes may occur.

2TEC2's LRV values

Reference	Avg L*	Avg LRV %
Infinite Eclipse	22,04	3,53
Hybrid Solaris	29,92	6,23
Hybrid Rosetta	30,83	6,59
Hybrid Halley	30,83	6,59
Silva Ebony	31,83	7,01
Infinite Nebula	30,72	7,15
Infinite Moonless night	32,31	7,27
Infinite Black Hole	33,88	7,96
Colourful Fireball	34,01	8,02
Colourful Pulsar	34,21	8,12
Desert Karakum	35	8,51
Colourful Orbital	35,18	8,59
Infinite Neptune	35,19	8,6
Colourful Quasar	35,32	8,67
