

2TEC2 Rugs

Indoor & outdoor use

Indoor: suitable for underfloor heating

Outdoor: 2TEC2 advises to bring your rug inside during winter season

Rug protection

- Protect the 2TEC2 Rug by placing teflon furniture glides underneath your furniture
 - Do not place sharp objects on 2TEC2 Rugs
 - Heavy furniture can leave a permanent imprint
 - Rubber can cause a permanent colour change
-

Maintenance

1. Periodic cleaning:

- Use a vacuum cleaner regularly
- Use a scrubbing brush, water and a sponge for spot cleaning
- Remove dirty water with a damp cloth or an injection-extraction machine

2. Deep clean:

Use an injection-extraction machine

3. Spot cleaning:

Cold drinks Water	Red fruits Water	Marks from shoes Rub with dry cloth
Hot drinks Hot water	Chewing gum Hot steam or freeze spray	Oily - Greasy* stains Hot soapy water
Food Soapy water	Blood Saline solution or diluted ammonia	*Remove grease within 24 hours to avoid permanent colour change
